

## BARGAINING BULLITIN # 2 2/2/2010

The Union and Company bargaining committees were back in session today with full compliments on both sides of the table, (names were outlined in initial bargaining bulletin late yesterday).

After continued refinement of logistics, calendars, and ground rules, the company passed 5 proposals. Based on the presentation of today's proposals we have requested additional information on several of the proposals to prepare for more in depth presentations by the company.
