

CWA District 9/AT&T West

Bargaining Bulletin #48

Tuesday, April 28, 2009

Your committee spent the day conferring with the other CWA district bargaining committees and the CWA Research Department regarding healthcare cost and coverage data. There were no formal sessions or subcommittee meetings. We are still awaiting response from the company to some of our data requests.

Stay the course! Your strike standby efforts **are** having an effect. The key to any concerted activity is organizational discipline. Thanks for all you do!
