

CWA District 9/AT&T West

Bargaining Bulletin #52

Wednesday, May 06, 2009

Our last Bulletin indicated that we would produce our next report when we have something of substance to report. While we don't have a significant report today, we would like to summarize our activities since Friday.

We met with the company in formal session on Saturday and made a comprehensive proposal on healthcare and wages. Monday, we met with District 9 Vice President Jim Weitkamp and Tuesday, with Vice President Weitkamp and CWA President Larry Cohen to discuss the status of bargaining and next steps. Today, we met with the company in formal session and received a list of questions regarding our healthcare proposal. We will be working with the CWA Research Department on an appropriate response.

We expect to meet tomorrow in both formal session and subcommittee and will keep you advised as events warrant.

For information we can't put in these reports, stay in touch with your mobilizer.
